

REMARKS

Applicants thank the Patent Office for the careful attention accorded this Application and respectfully requests reconsideration in view of the Amendment above and remarks set forth below.

In response to the Office Action mailed May 24, 2006, Applicants have amended Claims 93-95, 97, 100 and 103 to avoid any basis for rejection under 35 U.S.C. 112.

Applicants have also amended the Specification to ensure correspondence between the Specification and the Formal Drawings.

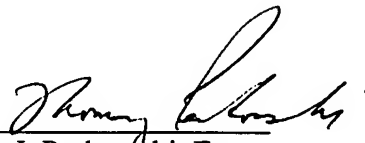

In view therefore, of the Amendment and Remarks set forth above, the present invention defined by Claims 93-104 is firmly believed to be neither anticipated by, nor rendered obvious in view of the prior art of record, and that the present application is now in condition for allowance.

Favorable action is earnestly solicited.

The Commissioner is hereby authorized to any fee deficiencies to Deposit Account No. 16-1340.

Respectfully submitted,

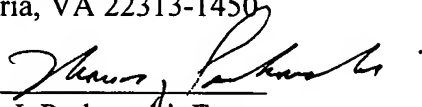

Dated: October 23, 2006

Thomas J. Perkowski, Esq.
Attorney for Applicants
